I am Monarch of all I Survey

 O Solitude<sup>2</sup> where are thy charms  
 That Sages have seen in thy Face  
 Better I dwell in the midst of alarms  
 than Reign in this horrible place  
 I am out of humanitys reach  
 I must finish <sup>RECEIVABLE</sup> my Journey alone  
 Never hear the sweet Music of Speech  
 I start at the sound of my own

 Divine bestowed upon Man  
 O had I the wings of a Dove  
 How soon would I reach you again  
 the Beasts that <sup>5</sup> roam over the plain  
 are so unacquainted with Man  
 their tameness is shocking to me
