221 DAYS PAST

Friday

145 TO COME

Restoration of the Physiologic Balance

must be accomplished in Anemic and Chlorotic conditions. A paucity of hemoglobin, with a deficient iron content, is usually associated with corpuscular insufficiency. **Pepto-Mangan (Gude)** constructs new and restores impaired erythrocytes, and thus restores the physiologic "status quo."

Weather

cool, low ^{Temp.}

night but warmer by day
cold to night. I made
one of Mellor dresses, John
went to mill & got his
wagon tires set. This
afternoon he hoed corn,
Mark was over a little
while to night. Anna
McTaggart was down
