

Saturday 6th
This was a fine morning Miss & I went
to Guelph John was doing the rest
of the peas we have put in about 20 B
in all

Sunday 7th
This was a fine morning warm Ma & Willie & John
and I went to Church. John & Miss went
to Guelph Church to night

Monday 8th
This was a fine morning John and I was
picking stones Willie was plowing, afternoon
Cultivated the part that was left with the
water and saw 2 Bushels of oats

Tuesday 9th
This was a fine morning Willie was plowing
John was stacking out some manure with
the cart I took the young cattle to the
Barn

Wednesday 10th
This was a fine morning I was doing some
more about the fence and cultivated a part
of the fall wheat and saw barley in it all done
Willie went to Mr. Langcote to see
