148 DAYS PAST

218 TO COME

Geriatric Aphorisms—No. 13.

The pulse at the two wrists may differ in force and hardness and beats may be lost in transmission.

Neither pulse, pain nor temperature is a reliable guide in determining the diagnosis in the aged.—*Nascher; Amer. Med.*

Weather

Temp.

Rained nearly all day. Maudie & I went to Dymer. Wesley Battell was here & cleaned the girls wheels. I planted my cucumber seeds & Herb planted my tomatoes in the little garden. Charley was down for tea. Maudie & Mella called on Clarence. Mariah & ...
