January Sunday 31 1926

Took Jean up home for supper Aunt
Becky and Grandma Weir were there
so we had a nice visit with them.
Went down to Barkus shortly after
ten but didn't get home until late
as we had a great feed of ice
cream.

February Monday 1

A very busy day for me checking
up tickets on my milk route
and didn't get home from milk
peddling till late. Worked on
my books at night until I went to
sleep and had to go to school.

Tuesday 2

Jack and Row, Roscoe and Jean
came down and we had a great
time skating on the river after
which we had some music and
I had some lovely dances with Jean
to phonograph music. But Bailey
gave us a swell lunch.
