No. of Day.	FROM	TO	REMARKS
	During the past year I wrote on Trinity & the Royal Medical regiments, I passed back after which I came to Spencerville & commenced to practice with Dr. McLean. We lived with him until July when we bought a house & lot from Mrs. Davis for \$1600.00. I am getting a fair share of profit (40%) I have about half of the work to do. We have had no serious sickness this last year just stated. Jennie Allan & their two children were over here in the summer They are living in First St. Henry & Maggie are living on the farm I have two children. Alice & Hattie are living at Smith, Falls, also a boy.

26th	Heard Rev Mr Reddick preach A.M. Rain most of time.	
27th	Cloudy. Working on an old ship	
28th	Rain, cold	
29th	Spent evening with Squires & C. Fine went up to Rochester. Fine	
29th	Went out to present for drifts &c. Fine cold & rain went	
30th	Made up some Squires' Scattered seed got in before dressing & some	
31st	Rain. Started doors. Green 2nd	

June

1st Rained until about noon, then rain
continued until evening. The crops are in a fair condition, I noticed Rye
headed out on the 22nd May. Cattle have been out nearly
all of way north & the grass looks remarkably well.
Grain looks well on high land but the low land
has been too wet to seed.
