

July.

SATURDAY, 20.

1872.

cloudy all the day  
i was up to Mother  
making hay in  
went to the  
Whitfisher in the  
evening to the  
Lepher

SUNDAY, 21.

Dark and cloudy  
to rise and my  
self went down  
to the point so  
remained in the  
evening we came  
home in the evening

MONDAY, 22.

cool day but  
clear ~~in~~ i was  
mowing all the  
day with other  
Wells came down  
with me that night

July.

TUESDAY, 23.

1872.

Bright and clear  
in the forenoon i  
was mowing up to  
Mother we were  
drawing hay in the  
afternoon

WEDNESDAY, 24.

Clear in the fore  
noon but very  
disturbing in the  
afternoon we was  
making hay and  
remained in the evening

THURSDAY, 25.

Bright and clear  
we was mowing  
in the forenoon  
making till supper  
time William James  
and myself took  
my Saloyes in to the Bay
