

In forenoon we completed ~~for~~ hauling first field of hay. Edgar & Clarence went to help Abie in afternoon. Sizzie & I went to Chatham in lumber at Met O'Keefe in auto & got. The tongue broke out of my rig thereby failed to see J. S. Kerr or J. D. Simpson & too late to get other things wanted.

Weather fine roads very dusty & dry.

I awoke this morning to find it raining a much needed rain which continued off on all day to freshen crops.

The boys & I went to barn to level hay & were doing odd jobs about
