

October, 1926

6 Wednesday. Cloudy & dull.  
Rain this afternoon. Maurer's  
were cutting corn today. They  
had to stop for a while this after-  
noon on account of the rain.  
These men were here for dinner -  
Sam Spies, Peter Sherer, Walter  
Adler, George Koepke, Mark Sutton,  
Sam Bird, Allen Wagner, Jack  
Spies, Noah Miller. They were all  
here again for supper except Noah  
Miller. Walter finished cutting  
with the corn binder at noon.

7 Thursday. Cloudy & cold.  
Walter shipped hogs this morning as  
George Snider helped Vernon in the  
silo. Maurer's finished cutting corn  
at noon. We had the same help as  
yesterday. Homer Henderson was  
here in Allen Wagner's stead.  
Audrey helped to cut corn at Eph.  
Snider's this afternoon. Vernon &  
Walter cleaned a load of wheat.
