

trying to turn the boat when Dolly broke the
bolt & plunged backward & broke the
shave since they got her up & she is
quite tamed since. We were up at
11 o'clock the water was away up the lake.
New pretty rough. When we got home had
all the work to do. I had to go out in
afternoon & picked up potatoes & such
would not go out then she went to meet Anne.
Mrs. C. & her family came on the train
A. L. Churchill came up on train with her
I had tea & a few dishes then they
went to Church were in the garden & I
went to bed. ^{at} Grant, Max & Will Spear
was at church Max had legs up &
station for Mrs. Lewis & I but they did
not come. Max came to church with his buggy
Max & Sarah went for drive. ^{at} Grant
