

April 11th Ground frozen this morning. cool all day but partly fair, started work about 10 o'clock stuck about till about 4 o'clock trimming cherry trees.

April 12th. Milder & partly cloudy, trimming trees all day. Will lose a lot of trees girdled by mice in old Raspberry patch. plum trees 10 year old girdled never seen such large trees done before some 4 and 5 inches through, must be 25 girdled all around and 50 more part way

April 13th Sunday. Fine in the morning but a few showers in the afternoon.

April 14th. Fine but a little cool. transplanted 20 sashes sweet peppers & 12 sashes hot pepper. not very good very small plants and very poor catch. all invited to have supper at Geo. Hammond's. had a nice time.

April 15th. Cool with north & east winds. finished transplanting peppers. 12 sashes more. Bot two ounces Snowball Caroleiflower for \$6.00 at S. B., went into Ham. to see about Truck License. under new Road regulations we can only get 1 ton license on 34 by 4 1/2 tires 1/2 tons on 35 by 5 inches
