

- 10 The wheat was cut down & I got the
11 sun in the morning & went to the
12 Revd Mr Baker preached in the Schoolhouse
13 drew in the Rye & cut the rest of the scatch
14 wheat dry weather
- 15 began to cut the Black sea wheat at the
16 old house it is a fair crop
17 worked at the wheat fine day
- 18 cut some of the wheat on the new land
19 rain to day & threshed some of the scatch
more rain to day thoroed a little more
wheat & am not able to much I worked
myself cradling the Rye Billie cut the Barley
the Revd Mr Baker preached in the school
house this afternoon
- 20 drew in wheat to day & move some of it down
in the same time
- 21 cut the oats west of the Path to the well
22 Anny Young helpe a little rain
- 23 drew in the oats west of the path the after
noon cut some of the in the north field
- 24 worked at the oats in the north field
a very poor crop
- 25 finished cutting the oats & got them
all in the Barn they are very short
- 26 Billie helped Charley Armstrong to cut oats
- 27 threshed some wheat rain this morning
heavy rain in the afternoon
- 28 the Revd Mr Baker preached
- 29 threshed some wheat & cleaned it had 4 bushel
from 160 sheaves good wheat
- 30 went to Gananoque to the mill with 4 bushel of
wheat fine day
- 31 Billie drew 3 loads of sand & stone for
our cabin the last in the
