long horns Oct 29

April 1905

Got 1<sup>st</sup> North east wind. Marjorie swept  
& cleaned the floor. I made 4 mince pies  
& swept & raked the east yard & laid  
down boards. Paul went to Chippawa  
with Topsy & the buggy had 2 dozen eggs  
@ 18. came back & went up to see about  
the turkey. Day thinks she is getting the  
measles. Hamit over twice she kept the fire in the  
Smoke house yesterday & this afternoon  
Sun 2 heavy frost this morning & wind north  
east. the people went down the road in school  
the first time for weeks. broke the road for the  
first this week down in the school house  
mill & the girls gone to James Wells to see  
Mrs Smith she is poorly & James is  
In 3 wind east - but the weather gets  
quite hot but dull looks like rain  
Hamie put out some flowering peas  
& we decided our attire. Paul & I school  
in the forenoon after dinner went fishing  
got a picker. he put the cows in the field  
& Marjorie & I had in sun after school  
& got them in the barn yard Arthur over  
in the shop this forenoon  
Food for 4. Buggy had 3 feds & Blacky 3 on the night
