

would go on that to Smith on Sat. In afternoon had Mrs Jones
& her servant for tea. I went out to creek & walked on over to Kennedy
tiny patch just coming away as I saw one he come over
me with a big plug that on. He ready to go to station so had no
time to talk much. I only wanted to see his face to see if he looked

Picking In A.M. Ada Shaw came in P.M. James

Wied & Fremont's wife called & we waited tea till they went. It
rained late tea Martin came in ere 10 & we had tea over. No singing
& I played ~~smooth~~ organ. Had a quite time Dick called for them
about 10.30 some hours

Frid Aug 2nd Picking by Ida & I doing Sat. work. To the store up

to Wells in P.M. I came over in dressing to go over to their place.
but looked like rain so we talked to D. I got just like shaking him
on shore him in hammock & found juice in pocket he said it

D. Brays got talking as usual & didn't know when to stop. I
wanting to see if he would be manly enough to tell me about B. & him
self but he didn't intend to let him know I knew. Guess he afraid

I go back on him cause I had to give him an answer in a ^{month}
time. But when I told him what I heard He denyed it & said I'd
never see the day when he would marry B. Doland. Before he
went he rather gave in that there was something between them
but not enough.

to just be the same to him as I had been. I told him what
did he want to be tripping with his affection if he didn't intend
any thing He said he just going to have some fun over. But guess
he just fooling me. I talked pretty plain to him. It struck me by the
