MAY SUNDAY 7 (127-238) 1922

dark and cloudy today around home all day. Addie and George Sterry here for a while this afternoon. She was up for the Communion Service in the Standard Church. Eric and I went to Church tonight it rained a little.

MONDAY 8 (128 237)

Fine day I took John Gamble out to Ossies to look over the farm in the morning we helped Ossie to load his machinery and I took John over to Ward Gambles home for dinner. Ossie here thus and I furrowed out for my potatoes after dinner and I went down to farm and helped him to unload his machinery. he left his horses down there and I took him home with my car tonight

MAY TUESDAY 9 (129-236) 1922

Fine and warm today I got up early and went down to Mary's to get some potatoes had my breakfast there and worked on their car all the forenoon. I came home after dinner and planted potatoes in the afternoon. quite tired tonight

WEDNESDAY 10 (130-235)

Fine day I finished planting Gord Sly Lot [illegible] in the forenoon and Eric and I cleaned up around the barn in the afternoon. Mr moulds came in tonight
