## Geriatric Aphorisms—No. 22.

Drugs containing tannin are absorbed slowly or not at all. Mineral oil in large doses does more harm than good. It coats the intestinal walls interfering with the secretion of the already diminished intestinal juices.—*Nascher; Amer. Med.*

Weather

Temp.

Very cold & cloudy  
snowed a little & snowing  
to night. I took the girls, &  
went to them. Brought  
Maude Abell home with  
me, to make my green  
dress over. Cleaners men  
came a little while this  
afternoon & helped John  
Klough. Bill Davis went  
to visit Jennie & day Maude  
& Audra was here for tea.  
George & Mrs Davis did not go.
