

Tuesday, December 10

Weather - milder with heavy snowfall
at night.

Will draw manure to day & chored

Douglas & Norman went down to Mr Scott
with repairs for baler, took most of day to
repair it, so no baling done.

John came up in afternoon with with
some fresh pork for us.

at night Douglas took me to Unionville.
S.S. meeting at church but we did
not go.

Russel Burr thru here hunting rabbits.

63 eggs to-day.

Bonds for Public Officials

Wednesday, December 11

Weather - Cold day.

Douglas & Norman went down to
Mr Scott & finished baling there
at noon then moved on to Thomsons
for the afternoon.

Will draw manure & chored all
day. Will & I did milking. Mr French
down at night for milk.
