62 DAYS PAST

Sunday

304 TO COME

A Drink in Acute Nephritis.

Unless dropsy is present, the patient may be given to drink freely of a beverage consisting of a dram or two of potassium bitartrate added to a pint of boiling water, flavored with lemon juice and a bit of lemon peel. The mixture should be allowed to cool before drinking.—*Med. Standard.*

Weather

A lovely day

Temp.

Thawed but froze hard & night.
John went to Eugene's &
dag, for dinner & tea. Mella & I
went down to Mrs C Thompson's
this afternoon for an hour
to visit Maudie, Mella & I
went to church. The
leaverley girls was w^h +
for tea. This is the first
Maudie has been out
for three months!
