Dull black old day. Froze a little last night, but thawed out again today. John has gone to Alberta tonight. We have been quilting all day. Canned some beef also.

Wednesday 11.

Another dull old day, but mild. Snow all gone for days now and plenty of mud. I drove to St. Thomas at noon and then went with Harry over to London to see about a piano. Maude and Almond were here tonight. Mrs. Davis was down this afternoon. Mother washed while I was away. Have been quilting.
