

1877
to Judge Brewster
from his sister
at On the 1st Jan
1876 Went to
ge in the labors
of benevolence
to treat Bought
a sheep from Bob
Heft at the
and for
in Hook
we off
in the same came
and the 26th
to first journey
and at 7 o'clock
date of my leaving
the Port Lane
I am
Very much

The James Cameron's Island April 26th 1872
 setting fires on the Hill Point & shot a Bat set
 27 traps for the first & set the spring fishing
 Eels at Chutees got 7 Baskey here fishing Eels
 gave him some sugar for old Mrs Bosell
 gave him a stove to make Paeddlies for himself
 Making Mollasses William Frosty nights
 high Wind to day a great deal of shooting 27th
 high North Wind setting fires around the Bank
 shot a Duck a great distance & got up after a
 while and flew away setting spots out to feed
 in the day time keeping in the Thier and Bull
 and the sheep made 3 Gallons to day of Mollasse
 Liveria not well all the children Bad with
 the Cold clearing away around the Dooryard
 great fires in the Marshes now froze hard tonight
 28th A fortunate day all the children went to
 the Sturgeon Island a great lot of Geese
 and Ducks at the East end of the Island
 found a Goose Egg on the North East
 end of our Island 25th Went to A. L. Baker
 took 13 lb of sugar at 12¹/₂ Illustrated 1/3 3 lb Tea
 6 yds of Linsey 2¹/₂ yds of Cotton Thread Tobacco 1 lb nails
 matches called at John Hamiltons got some
 of the barley Hoses to plant and some of the fodder
 and a Bag of Long Johns Bought of Grant
 1/2 Bushel of Linse 10 Cents A. L. Baker measured
 and weighing his stock the 3 Veponds there
 Nicholsons Putting up their Barn on John
 Summers Place got another tub from A. L. Baker
 to put the Linc in My Camerons daughter Borby
 William gathering sap for vinegar But as I cant
 furnish him with a Barrel he is going to make
 mollasses made 20 lb of sugar by Borby the Mollasse over

16th Dec. 1881
The snow falling there on the snow I am in the
great snow and the snowing began to rain the snow
of the snow and snow. The snowed
the snowed snow to day I had in now made
the snow of the snow the snow around the snow

My dear Mr. Hamilton, Jan. 30th 1872
 Planted 14 hills of Potatoes near the Back Kellars
 Made 2 1/2 gallons of Molasses for the East End Mill
 and settled with him all about the sugar
 took home the Pots and Barrels from the Camp
 shot a Rat East Wind Began to Dig the Garden
 Let out the Cows and Sheep 10th of May
 St. Phillips and St. James Day Fencing the garden fence
 Digging in the Garden Gordon and I went to the
 Surgeon Island Kitt Kat Island Lyle Island Ligon
 Island Ropes or Snake Island and from there to Charles
 or Butternut Island East Wind came home
 commenced to Rain Wind changed to West
 Got some Fat Nine cills Hills Light Lit
 up to night Shot a squirrel on the old Chimney
 2nd crossed to Summerstown speaking to Hamilton
 told me Allen Mr. Donell sold his Season of
 Horses Charles Rose went to the Boat Yesterday
 Brought Mrs. Sprinks Pot home
 sold my Rat to Depond only wanted
 to pay me 20 cents but that is no fair got
 25 Bought 2 Hats 20 cents 2 Pkgs of 100 Feet
 1 Box of matches 1 cent A. J. Baker and his
 going to J. Camerons Daughters Funeral
 Wind high hard Rain got all wet coming home
 Got a Paper from Charlie the St. Kellars
 and a Propeller went down for the first
 Began to Dig the Back Garden Finished Digging
 Gun ell's Gregor here about his Colts have him a cow
 and Puddle Light trip in all the Light houses tonight
 I thought I heard Thunder today very sore with my feet
 not many Sicks yet some
