

December, 1929

30 Monday. Drearly & mild
Walter killed a cattle beast for
Enoch Schneider this morning
and went to Elmira this afternoon
Vernon and Willard hitched up
Rex and Babe in the sleigh and
drove around the country.

31 Tuesday. Lovely day.
We butchered 2 pigs for Enoch
Schneider's today. Vernon went
to New Year's Eve Social at Mrs.
A. Thur's tonight. Walter, Ella
& Willard listened to the radio
until after midnight and heard
the chimes in the Peace Tower at
Ottawa strike the hour of midnight.
