We went to Church with the car in the morning although it rained last night and the roads were a little wet in places.

At 2.30. we went to Church again as Mr Lindsey preached to the Orange men. "Render unto Caesar the things that are Caesar's and to God the things that are God's". The greater part of the day was fine.

Monday July 11, 1921.

Roy delivered mail, I went with him on the second part and arranged for help for the Engineer to finish the survey of the proposed pumping scheme near the Club.

In the evening Mr Gordon came with 15 bags containing 88 bush of oats at 33 cents per bush $\$1.25$. M. L. Crawford and family were here in the evening.

The roads were good and the weather was fine.
