

Dec 1915

- DEC 26 Sunday Jim & Leith to Church Cold
 " 27 Choiring " wire back to Fergus on train
 " 28 Bessie came down Jno Burr and I to A.A. ^{sale} ~~arrived~~
 " 29 Cold cut wire fence out of river Sub. ^{stormy} ~~fixed~~ down
 " 30 Colder took wire of at river opened silo
 " 31 Cold morning getting milder Leith to Fergus for
 Chap de H. owned cattle for Geo ~~Bennet~~ and ~~at~~
 home

January 1916

Jan was one of the mildest in history
 we had ~~3~~ 3 zero days and the rest
 was very mild a lot of rain the
 river broke up on 12nd and did not
 freeze over till Feb

Feb 1916

February started fine but soon changed
 and cold stormy weather all three as low
 as 30 below zero the Parliament Buildings at
 Ottawa was burned on the 4th presentation
 To Jim on the 15th from S.S. no 2 - a ~~terrible~~
~~watch~~ watch and mirror -

o.p. March 1916

March came in like a lamb but the
 lion soon followed had some very heavy
 storms three thunder storms on the
 afternoon of the 6th. The train had the
 snow plow on twice. Nora Wright here on
 the 14th continued cold & stormy until the 25th
 then milder on the 29th 30th snow went very
 fast all away but the big drifts Robins made
 the river broke up the coldest March for years

April 1916

April came in wet and mild soon turned
 cold and continued till the middle of the
