We did chores up fairly early and I went down to Auntie's to spend the evening. The two Miss Shardings and Miss Martin were there playing bridge. Sunday May 4th

Frank, Sid and I went down to Sunday school and Church this morning. I stayed at Auntie's to dinner and went up to band practice this afternoon. Enah and Sid went down town too. Enah had to practice for the mother's choir. They stayed down to tea at Auntie's but I came home and helped do chores. I went down town again this evening and got Mexico out of Auntie's barn and left him tied to a tree in front of Dick Holm's for Enah and then I spent the evening at the Monticellis. The mother's choir was a great success. It rained hard during church but cleared up during the afternoon but to night there was a terrific thunder storm and I got caught in a heavy storm going home.

I just did chores and husked a little corn but got so sleepy doing that I had to quit. Dad had a letter from George Petty to day dated at Toronto and saying he would be here to-morrow so Enah went down town this afternoon to get some paper to cover the new plastering. Frank went to a dance at Pete Salmer and I polished up my horn. Fine day.

Tuesday May 6th

Frank went down town this morning to see if Henry Dyer could come over to paper the parlor ceiling to day but he couldn't so Frank got Jerry Burtch to say he would come to-morrow morning. I fixed up a chicken coop and moved my little chickens out this morning. Dad did chores and helped Enah house clean and Frank and I sheared the last two rams before dinner. Ah! Dad sheared the last one just after dinner. Auntie Alice and George Petty came over. We didn't know what train George
