Still have rheumatism in my hands but my ankle seems better since I got new rubber heels in my shoes.

Tuesday Oct. 18th Warm and nice in the morning but very windy and showery at noon. Alice Clarke left - about 11 a.m. Sunday and I then went down to Miss Milne's and I got tea at for dinner. Then I went to Nell and to Miss McEachran. Went down town in the afternoon and was home in the evening. Mrs. Beattie here for evening in the afternoon and I went out to get different leaves for Dorothy Caldwell.

Wednesday Oct. 19th Wet day. Started my play for the Choir. Went to the office in the afternoon and made the entries. Then went to the station to send C.P. to Elsie. Duncan was here in the evening as going to Toronto to-morrow
