

May 1st.

~~May 1st~~ Transplanting tomatoes
yep. had a big shower
this morning. had an
examination by the Dr.

says to quit work for awhile

May 2nd Very windy today
planting tomatoes and
also planting cukes

more showers & a thunder
storm in the afternoon, with
hail as large as marbles

May 3rd Strawberry plants arrived
12000 cost \$71.50 for the plants

• \$10.30 duty & \$22.70 express

Total \$84.50. they look pretty good

May 4th Sunday. fine & warm

May 5th. Planting strawberries
with the planter & done about
10000 today. very warm

need rain badly too
cut 2 lbs asparagus for the bird

May 6th Planted out Cabbage
6000 this morning. very
warm & dry, a few of
the early plums coming
into blossom, strawberries
planted yesterday look
cooked. Planted 20 lbs
Davis Wax Beans &
put 1 ton of 4-16-8.

Fertilizer on Raspberries
and cut 8 lbs

Asparagus -

May 7th & 8th & 9th. still digging
& planting strawberries.
also planted early corn
& pumpkins. nearly
done up. got two teeth
pulled.

May 10th Finished planting
strawberries about 6 acres.
