

Jan 12th - Real cold this morning must be down to about 10 above

Jan 13th. Not quite so cold this morning but cloudy and looks like snow the ground has been bare since before Xmas.

Jan 23rd. Mother, Doris and I have all been in bed for a week with the flu just getting around now but all feeling shaky. The weather has been very mild the whole last ten days no snow at all. quite a lot of rain and terrible high winds blew barn door off last week - + blew down lattice fence and also Radis
