

dresses. Ella McKay came home with M. L.
who then went home with Ella again
for company but came back again.

Jan 15th. Raining so wore one old dress
to Sat. & Church. Mr. Beck preached a lovely
sermon for Ps. L. 15. All stayed to class.

After tea Ernest came with horse & buggy
took Nettie & I up to Appleby Church. Got
there in time to hear the closing part of
sermon. Sat away up in front seat. Saw

Alf. & Bumby's. Drove up to William
Lucas's after Church as Er. wanted to see
his cousin Melville. Sud. Alton & some

others there. He played & we all sang
some hymns. A lovely drive home by
moon light. The dampness straightened
my feather again.

Mon. 16th. Straw berry picking again.

Max I pick goose berries in afternoon. Ada
Johnson & Alice Garman here. I gave Alice
her school prize which Mr. Byrnes left
in my care. Ida & Nettie went to Bronte
with them.
