

Ther.

FRI. NOV. 11, 1898

Wea.

The snow is quite deep this morning we have to shovel it away from the door and open the paths there is about 4 inches on the level, but the drifts are much deeper I finished Willie's shirt today, I set bread to rise and went over and <sup>for Mrs. Sims</sup> set some

Ther.

SATURDAY 12

Wea.

I rose and attended to the bread, I baked pies and cakes, and the bread and buns in forenoon, after dinner I scrubbed the flour and the stoves and cook house, George and J. A. got home, they are both sick with a cold
