

Friday, February 6

- June 19th. Mr & Mrs Williamson went to visit Franklina at Embro
 .. 21st. Borrowed H. Cunningham's cultivator with disc, for mangels
 and they made a fine job.
 .. 22nd. Held our annual S.S. meeting in the evening about twenty
 four were present and after the business was finished
 we spent a little while socially with music etc after
 which we served cake and home-made ice-cream.
 .. 23rd. Finished thinning mangels and started to cut
 Lucerne clover on north hill.
 .. 26th. Finished drawing in Lucerne off north hill & loads.
 .. 24th. Sowed hill next Cunningham Place with $\frac{1}{2}$ bus. of
 variegated Alfalfa.
 .. 26th. Nellie came from Brantford for her summer visit.
 .. 27th. Drove to Uncle Tom's Sharps for tea, and they invited
 Nellie and I to go to Galt to church with them in their
 new auto.
 .. 29th. Drove Nellie to Paris in the evening, as she was going
 to Woodstock, brought Willie Brown home to head count
 Finished cultivating corn, at time a very good catch.
 July 1st. A very fine morning, Toly Brown and his wife and
 a friend came out for a visit. A very fine rain in
 the afternoon and as it was the day of our S.S.
 Picnic we held it in the orchard (instead of at the
 Lake as we had intended), we had supper on the
 veranda while it was raining, and afterwards
