

together I think. Had another talk he wanted to take back what
was said Frid. eve but I didn't say I would. He let his feeling
grow to quick. said he would have to come for the more he said of me
better he liked me. He wanted to have another talk before I come home I to.
Mon 4th March, 1882. Dy. early Mrs J. Dettm came when us at 8 P.M. to
at all. Patches. I & I doing washing & I feel rather homesick after talking with ^{Phil}
Palms. Yuss 5th Had oven cutting wood. Baking & cooking dinner. just 6 o'clock for
hen had 6th March. Early day I sending out card. P.D. covered luggage
just went passed that it Dr. but turned out to be Geo Bennett & Joe B.
and P. didn't call it but went to Geo Altom & Josephs Altom. Saw P. driving
man & girls on a snare wagon along Street. He told us about Joe being
road. over there expected them to call but didn't. Phil came over in eve from
there. P.A. & put his horse in stable, supper and he was as intending to
not of us have a good talk. Had mouth organ music & few harp, & doing
got that. left it puzzles on table with matches when Mrs Altom stopped in so strange
led Phil asked him if he was lost. He sang & could hardly speak
to me cause had to come over to find Phil. His mother imagined the
only colt he went to P.A. or had thrown ^{off} him off & killed him or she
could not rest until she got up out of bed & went to look for him.
Miss Phil soon got out his coat & went home. Well I couldn't help laughing
to think he had to come to tell him to go home. I was so thankful
that he & I weren't sitting up alone talking. He got fooled out of his ^{talk after all. I wish}
5. Had Yuss 7th Geo Altom came over for I & I to go over there for the P.M. or we
and I not be frightened us over the muddy roads. Sarah Altom there & Ella
one. Bucken & Gertie & Maggie had a lively time stayed for tea when got home 8.30.
base got also tea & Phil called with Gertie to ~~take~~ see us to Holborn Church. 9.15 morning
out. Had a short programme. Home at 10.30. after a light supper sitting on a seat.
