322 DAYS PAST

SUNDAY

44 TO COME

May 27, 1907.

Dr. J. S. Cherrington, Bidwell, Ohio, says:

"I had the pleasure of using **Pepto-Mangan** in a bad case of anemia. My patient is improving and I feel that it is due to **Pepto-Mangan (Gude)**."

May 20, 1907.

Dr. G. H. Bohmer, Sandusky, Ohio, says:

"**Pepto-Mangan** is always reliable, and I prescribe it with pleasure and satisfaction."

Cold ~~trained~~ a few drops
I whi's small hail not much
We was all home all day
but John was down to
Shed's. I in the evening
was over to Mr. Lopez
Dr. ^{McGowan} & Willey was there to
see Maude. Melba she is
a little better.
