211 DAYS PAST

MONDAY

155 TO COME

July 28, 1906.

Dr. Otto C. Gruwitz, Chattanooga, Tenn., says:

"I have given Pepto-Mangan (Gude) a thorough trial in my own family. The results obtained from its use are very encouraging thus far. I don't think that there is anything better on the market to my knowledge for persons suffering for want of a blood food. It no doubt nourishes the blood, and restores health and vigor beyond expectation."

Very hot, but was a breeze blowing all day. Mr Young helped John draw hay, & I night John has gone down to draw hay for him, girls & I milked the cows & did the cheres the girls watered the eddy & I hunted the potato bugs. Mauch's new & a piece of it has been a busy day. Marchant took Ladies ^{coll} March 9
