328 TO COME

The Potency and Vitality of the Blood

must be restored in conditions of general vital depletion. **Pepto-Mangan (Gude)** eligibly supplies the necessary material for such hemic restoration and systemic reconstruction, in palatable, tolerable, readily assimilable and promptly efficient form.

Weather

Temp.

Thawing blustery & stormy
snow flurries. Eugene was
over for dinner. I walked
down to Maude Thompsons
for dinner. The girls went to
Oyler in the afternoon &
I came home with them.
John & Eugene went to look
for cows & to the sale of the
old buildings down on the fair
grounds. Joe got another ten
dollar cheque to night & has
gone to Oyler's Billy to
