

February 17/74

- 17 Had Henry Rathwell helping us in the forenoon. He drew 3 load of logs. Jno Davis and wife were here in the afternoon. The bridge job was auctioned off this afternoon and Jno Chatford got it for \$100. Jno Street drew two load of logs for us. ~~A tin peddler stopped here.~~
- 18 John Street drew 6 loads for us and I drew 2 and broke our sleigh so that I could not do any thing with it. I went to the mill for to get some timber to make a new knee for it but I could not get any. Got some at Uncle Hugh's. Had Henry Rathwell all day.

19 A cold raw wind all day. We were mending our sleigh. They commenced working on the bridge today. Stormed some in the afternoon. John & Coolidge was here last night and so was Laramada. Uncle Hugh and Aunt Ann were down in the evening. A tin peddler stayed with us last night and the horses made such a noise that he could not sleep. I was up once to see after them.

20 Fixing the old sleigh. A rough day.

20 Went to mill and Mary went up to Thos Corbitts. I went to the station and got up mail from Mr Cameron. I got a letter from Helen.
