

February

THURSDAY, 25

(56-310)

1904

Shovelled snow all day off barn & chained
the most of the split posts.
Must have been $4\frac{1}{2}$ feet of snow on SE side of
main barn.

Mail got through tonight first since Saturday.

FRIDAY, 26

(57-309)

2 loads today
about yes. Skidded all the logs
Sent E. in with a load. but some long ones

SATURDAY, 27

(58-308)

Milder. 2.26. 3.18. 1.16. Clement works
Skidded all the logs cut.
Only one load left now to fell bill.

Thunder & lightning tonight & some rain
