Thursday

May 29<sup>th</sup> - Went down town in the morning for  
meat. Wrote a letter (long one) for Charles.  
after dinner went to Haven (Party? -  
Charles, Charlie, Alice son, Duncan Bill and  
myself) to Mr. Engel's funeral. We sat in  
the car while he but Charles attended the  
service on the lawn. Then as there was  
still a Masonic service to come, we  
left and came home. Went to Mrs  
Milne's to fit my suit-blouses. Washed  
my hair after tea.

Sunday Went to church twice to S.S. Typed  
May 30<sup>th</sup> - a list of names for Women Roll to be  
put up in vestibule of church and  
also three notices for church. Mother  
came up after church. While we were  
at S.S. she went to see Mrs Annie  
Milne & Charlie called for her after  
S.S. After church at night Charlie,  
Alice<sup>(son)</sup> and Margaret came up for  
Annie.
