June FRIDAY 13 1919

warm day. I hoed in the garden. Mr. Patrick went out on the silage this morning. around home in the evening

June SATURDAY 14 1919

Very warm day I got up early and hoed in the garden part of the forenoon I fixed to Garger Pulley on the line shaft in the Cellar to run the washing machine in the afternoon. Jim Eric and I went over to Farm in the evening after Peter Meadow. he took the team over and turned them out
