140 DAYS PAST Waller was to St. Thomas 220 TO COME

Waller &

December 13, 1906.

Dr. E. M. Dunham, Grand Rapids, Mich., says:

"I have used your Pepto-Mangan for several years and find as a tonic in most all cases of impoverished blood none that I can rely on to give me satisfactory results as your preparation."

Ran this morning but rained some this evening. John went to Ayles this morning & I went fishing. John came down when he was coming home & caught a fine big fellow. This afternoon he has been working on his cover ground. Mrs sent some strawberry plants to Ayles & John got them. I have planted them
