SUN. DEC. 11, 1898

Wea.

I rose and prepared  
the morning meal  
There is no going to  
Church today as the roads  
are blocked with snow  
As I had started to  
go to Chatterham in  
the afternoon but had  
to turn home, James  
was up in the afternoon

Ther.

MONDAY 12

Wea.

I rose and made the  
fire and then prepared  
the breakfast the boys  
did not go to school today  
The men are opening the  
roads, it is pretty cold  
I did no work in  
particular today, I just  
attended to the house work
