

DIARY WRITTEN BY WILLIAM FRANCIS BARNES (BARNES) IN CANADA.

1834.

Dec 10

Went to see Drakette and Henry. Agreed to build house 16 ft by 18 feet with a lean to 8 ft on one side for 35 dollars. Said Wm. King to find all the materials for building same and to deliver them on the spot. Said house I am to rent for the term of six months for the interest on the moneys. The building costs and garden not included. Paid sixpence for whiskey and 12 cents for apple. Clear.

Dec 11

Framed on Knight's shed at sawmill on Byham. Received 10 lbs of pork of Levi Berry for washboard. Went to Mrs Meacalls on a visit in evening. Wife went up in the forenoon. Had a pleasant time. Was quite unwell in evening. Rec'd 1½ cups of tea. Clear and cool.

Dec 12

Finished a toilet for Wm Meacall. Mr Buck came here to work Knight's men commenced mending the dam. Raft of lumber went through the raceway at 11 o'clock. Clear.

Dec 13

Raised a shed 12 ft by 24 ft at the mill for John Knight. Worked at a toilet part of day for Wm Meacall. J. wright was here at the raising and agreed to be here again next Tuesday to settle with me. Quite unwell in evening. Wife washed in forenoon. Complained of a pain in her back and hips. Is better this evening.

Dec 14

Sabbath. Went to D. Mikennys, returned after sunset. Wife sick and in bed. Called at E. Woodmans, who was not at home. Commenced preparations to move to street. This is the coldest day we have yet seen this winter.

Dec 15

More mild and quite pleasant. Finished toilet for Wm Meacall. Wife and son was here on a visit this evening. Framed the shed rafters and sent one load of goods to D. Mikennys on the street. and expect to go myself tomorrow. Received in goods \$4.50.

Dec 16

Anxiously awaited the arrival of Mr Mikenny to take the remainder of my furniture to his place. No sign of him at dark. All packed and in readiness. No team came and we went to Enoch Woodmans and left my wife and went to D. Mikennys. Clear and cold.

Dec 17

Brought one load of goods to the street. Clear and cold.

Dec 18

Brought last load from Medcalfs mills. Mikenny went with me for them and agreed with Wm Anderson for lumber. Clear at \$6½ and common at \$4. To pay in hay at 4 per ton.

Dec 19

Worked 1/2 day for D. McKenny, in the afternoon went to Vienna. Called at C.B. Hewetts on my way and staid all night at S. Elliots. Saw Mr. Elijah Woodman. Saw John Wright. Saw Mr. Alt and Mr Legogue in the evening.

Dec 21

Sabbath. Returned from Vienna to the street. Found W. Bergin at Mr Pounds where my wife is boarding. Brought home goods \$9.33. Clear and cold.

Dec 22

Worked for D. McKenny on house. Clear and cold.

Dec 23

Worked for McKenny part of day. Tried to buy a corner lot from Solomon Moore. Did not succeed. Clear and cold.

Dec 24

Worked on D. McKenny's house, who went to Vienna. Rec'd 1 stick of tape. Agreed to work tomorrow for blacksmith.

Dec 25

Worked on an ox frame for blacksmith for which he agreed to pay me 20/ for Ruttecy agrees to give 4/ extra. Rec'd a subpoena for next court Jany 3rd. Geo Hill versus J. Wright on part of plaintiff. Quite cold.

Dec 27

Was quite unwell. Went to bed about noon, was very sick all night. Took a sweat.

Dec 26

Worked on (illegible). Last evening Miss Mary McKenny was taken suddenly ill with cholic. Was very unwell all day. Clear and pleasant but cold.

Dec 28

Sabbath. Better this morning. Went in the evening to a Methodist meeting about three miles west of this through a very delightful country. Clear and quite cold.

Dec 29

Rather worse this morning. Took cold last evening. Visit from Mr Butter. Went to McKennys, staid until late in the evening. Came home and found wife sick. Was some better this evening myself. Rec'd 11/ which paid butter and some goods.

Dec 30

Much Better this morning, both myself and wife. Went to Jeremiah Moore's to grind some tools. Went to Daniel Abells, saw the oil mill, saw Mr Chamber's cabinet factory. In the afternoon went to D. McKenny's prepared to begin work again. Mild and snow.

Dec 31

Spent the forenoon trying to bargain for a village lot. Failed and went to McKenny's and in the afternoon began to repair an old sleigh. McKenny and Luddington talked over the affairs of the shop. My wife this day continued to board herself in D. Pounds upper room. Brought over a few dishes and a table. Prepared to bid Adieu to the old and hail the new with a happy new year.

1835

4

Jan 1

Worked for McKenny in the forenoon on a door made by Dennis. In the afternoon worked on a sleigh. Saw a large deer killed by Alex Moore. Stormy. Cold and blustery with snow.

Jan 2

Worked on sleigh for McKenny. Finished it this day. Mrs Pound had a son return from the states named Isreal. Cold and squally with intervals of snow. Rec'd 12/ trade.

Jan 3

Went to court at Smith and Humphreys. Subpoenaed by G.Hill in a case with J. Wright, who gained the case by lying to A.D. Draper. Clear and cold.

Jan 4

Sabbath. Spent a great part of the day at home. Saw and conversed with Jeremiah Moore of this place. Went in the evening to sit up with Mary McKenny, who was very sick. Phebe Moore and Elijah Lane accompanied me. Came home a little before daylight and went to bed.

Jan 5

Worked this day at D. McKennys. They removed Mary McKenny in a sleigh to Jeremiah Moore's where she will be more comfortable than at home. Cold with a fine sunshine. Rec'd in goods 1/.

Jan 6

Worked at D. McKennys. In the P.M. went to a raising at S. Moores. Finished this frame without anything material happening. Was inwell this day. Cloudy and quite cold.

Jan 7

Worked for D. McKenny on house. Saw Sam'l McKenny. Cold and clear and more mild in P.M.

Jan 8

In the forenoon witnessed receipts for S. Moore, D. McKenny and Wm Luxon. In the evening went to Jeremiah Moore's. Saw Mary McKenny who I think will not live long. Came home in evening and found wife quite unwell which prevented me from attending a meeting at Smith and Humphrey's this evening for the purpose of taking into consideration the best mode of making the Otter Creek navigable to this place. Clear and cold.

Jan 9

Worked at D. McKenny's. Saw and approved the proceedings of last nights meeting. Clear and cold.

Jan 10

Went to a meeting for the purpose of ascertaining the possibility of making the Otter Creek navigable from its mouth to its source. The object of the meeting was however thwarted by John Burwell, Esq from Port Burwell who brought forward other resolutions which were passed and a petition of his drafting was produced by him and signed by two thirds of the people present. Mild, clear and pleasant.

Jan 11

Sabbath. Went to Jeremiah Moore's and spent a very agreeable afternoon in good company. Clear and quite warm and pleasant.

5
Jan 12

Worked for D. McKenny on house. In the evening heard the unwelcome news that I was obliged to look for a house to live in. Passed the evening very disagreeably and in great anxiety in consequence of it. Warm with snow.

Jan 13

Went to J. Moore's with whom I made a following agreement viz; That I am to saw in his sawmill if he should require me so to do. He furnishes me with a house to live in till I can build a house for myself on the street on a lot he sells me for the sum of ten dollars. Warm with rain.

Jan 14

This day I moved to J. Moore's through mud ankle deep and was obliged to bring part of my furniture down hill by hand which was a very laborious task. Got settled by evening without any material accident. Quite warm with rain.

Jan 15

Was quite unwell. Went to D. McKennys and put in sash in front window. Warm with rain.

Jan 16

Worked for D. McKenny. Made a window frame and cased it. Dressed out and put down base to a room. Cased door and began partition. Cold and blustery with snow.

Jan 17

Was summoned to a court of request held at Smith and Humphreys by Geo. Hill of the town. Lost the case and came home at dark. Cloudy and cold.

Jan 18

Sabbath. Went to meeting in the evening at the school house between the two Otter Creeks. Came back to J. Moore's and spent two or three hours in conversation. Cloudy and cold.

Jan 19

Went to Vienna. At the Medcalf Mill on my return and arrived back home at dark. Saw my Father in Vienna. Rec'd in goods \$13. Weather was moderate with snow in evening.

Jan 20

Jan 21

Was unwell in forenoon. In the P.M. went to Birdsall Mill. Theo Metcalf was here and brought a coat for my wife to turn. Warm with rain.

Jan 22

Worked for McKenny. Came home in the evening, brought home a short broad axe & adze and two jack chisels. Moderately warm and clear.

6
Jan 23

Worked for D. Williams. Finished plastering. D. McKinney returned from London this evening, about seven oclock. Chambers was here this evening. Clear and pleasant.

Jan 24

Worked for self. The Wesleyan Methodist quarterly meeting this day commenced at the chapel in Malahide. Got a screw driver made this day at the shop. Warm and pleasant, clear.

Jan 25

Sabbath. Stayed in Fruitfull Valley. Was quite unwell with a Diarrhoea. Went to J. Moore's in the evening. Warm and rain.

Jan 26

Was quite unwell with old complaint. Went to D. McKennys and hung a door and put in sash and glass in the long bedroom. This day Mary McKenny went from J. Moore's to her fathers, being in a manner recovered from her illness. Warm and pleasant.

Jan 27

Went to D. McKennys. Worked part of day. Parted from Mr Osborne (a fine man) at D. McKennys who is going on his journey west. Snowy.

Jan 28

Cut wood at the door. Ground my framing tools, axes etc and in P.M. cut wood in the woods. Quite warm and like to lose our snow which fell last evening about two inches.

Jan 29

Brought my chest of tools from D. McKennys to Fruitfull Valley. In the morning went to J. Sommers where I was detained till night. Got 18 lbs of pork from Sommers. Warm and pleasant.

Jan 30

Worked on a panel door for J. Moore and ground tools. This day it rained almost all day. Quite warm.

Jan 31

Finished a door. Rec'd a summons in court of requests from w. Rymer directed to F. Barns. Rec'd a capias from J. Wallace of Brantford. Served by A. Baker. Amt 445 cy. Gave bail and Baker went (illegible) on bail for me. Gave my note for 5 shillings. Rec'd a summons in court of requests from Cornell Norwich. Am't 28.2½ cy served by Malcolm. Cold and stormy. Snow.

Feb 1

Sabbath. Staid at home in Fruitfull Valley all day. Colored lining for frock cravat and in evening went to J. Moore's. Saw the young people play and came home at 10 oclock. Wife was taken with a fainting fit but soon recovered from it again. This day was cold and stormy. Wind and snow.

Feb 2

Cut wood and prepared to leave here in the morning for Brantford. Borrowed \$ 1 of D. Moore for expense money. Broke my axe and ground it up again. Cloudy and cold.

Feb 3

Left Fruitfull Valley at $\frac{1}{2}$ past 10 oclock A.M. Went by Darchan Forge to Norwich, arrived at the settlement at dark. Went to singing school. Staid till 9 oclock, went thence to Luke Peaslee's arrived near 12 oclock at night where I slept till morning. Clear and cold.

Feb 4

Went to my father in law's where I took breakfast thence to Andres Smith. Went in the evening to Egbert Hilliker's, staid all night and took breakfast next morning. Cold.

Feb 5

Went to Sodom with A. Smith. Saw Thos Killuce but done no business with him. Saw J.P. Barns. Staid all night at Sutton's, who is keeping a tavern in Sodom. Colder.

Feb 6

Settled with M. Stover and John Stover. Gave the later a note due 30 days from date, value \$25.50. Staid all night at A. Sarles. Came back next morning. Cold.

Feb 7

Settled with J. Wallace by Thos Wallace. Was at court, saw G. Waugh, Came back from Sodom then went to Andes again. Took supper at H. Bankers then went to W.J. Moses and H. Avery's and thence to father in laws. Staid all night. Very cold.

Feb 8

Sabbath. Fixcd for home again. Sam'l came with me to Byhan. Left there at 11 oclock. Came home by the forge. Got home after dark, found all in good health and spirits. This was the coldest day we have had yet.

Feb 9

Cut wood and made axe helve. Went to the ford and cut wood also quite lame with walking from Norwich. Caught cold. Clear and quite cold.

Feb 10

Made door for J. Moore, in the evening went to D. McKenny's. Saw Mr Osborne, James Moore and wife were there. Gave Mr Osborne an estimate on cost of saw mill. Clear and quite cold.

Feb 11

Made 2 doors for J. Moore. In the evening Mary and Phebe Moore was here. Phebe was unwell with an ulcer tooth. I borrowed two books in which I spent the evening agreeably. Cold with flurrys of snow.

Feb 12

Went to D. McKenny's who was quite unwell. Returned at sunset. Found wife making soap. Good Success with it. Clear and mild.

Feb 13

Three or four inches of snow this morning. Worked a part of day on door for J. Moore. The rest of day chopped wood at the door. Satisfied that I shall enjoy life without as much anxiety for food and raiment as most others. Warm with snow.

Feb 14

Went for horse for wife to go to Norwich. Did not succeed. Wife at length concluded to go with Mr Moore's team. Afternoon and evening spent in making preparations. Cloudy and cold.

Feb 15

Sabbath. This morning my better half started at half past three with Daniel Moore and four others in a sleigh for Norwich. This was the loneliest day I ever experienced. Looked over my papers and books and spent the day very unhappy. About 2 inches of snow.

Feb 16

Was quite unwell all night and this morning felt down right sick. Kept to my bed the greater part of day. Still all looks forsaken. More snow last evening. Cloudy.

Feb 17

Much better this morning. Still looks gloomy. Started for Vienna this P.M. but only part way. Saw Rayner Sons. Returned at night to my forsaken home. Cloudy and warm.

Feb 18

Made a door for J. Moore. In the evening parched some corn. Still all looks forsaken but hope inspires me at times. Warm, cloudy with signs of rain.

Feb 19

Made 1 door for J. Moore. Came in at night. I cooked my supper fully realizing what was said of man in the first age of the world: viz- It is not good for man to live alone. Mild but no rain. Broken clouds. Still all looks forsaken and lonely.

Feb 20

Made two doors for J. Moore. Very tired this morning and almost sick of housekeeping. Beginning to look anxiously for my wife. Cloudy and warm.

Feb 21

Scrubbed the house in the morning and then went to court at Smith and Humphrey's. Case with D. Rayner. Lost it in the evening. Saw a drunken Byham squabble. Warm with rain.

Feb 22

Sabbath. Went to Norwich with Sam'l Peaslee, who came here yesterday with a letter from my wife to me, wishing me to come here as soon as possible. Arrived about 8 oclock wet and tired. Quite warm with rain..
