39 TO COME

The Old Traditional Forms of Iron

exhibit the disadvantages of astringent and metallic taste, irritation of the gastric mucosa, corrosion of the teeth, and constipating action. **Pepto-Mangan (Gude)** is distinctly devoid of these disadvantages and may be administered to patients of all ages without fear of disturbing the digestion or creating aversion.

Weather

Temp.

cloudy & sprinkled

some, Grace & Helber  
went to Aylmer, John  
drew gravel. Old Mariah  
rolled in the yard &  
got an old tin pail  
fast in her blanket id  
she went fairly wild.  
Maude & I had a time  
getting the blanket off
