

June Tuesday 15 1926

Jimmie stamped tickets for me at night and I wrote a letter to Harry Wess. The first letter I had written since January.

Wednesday 16

Had a fine time at Cleo's party playing "Five Hundred" and dancing to music produced on Miss Edwards' new piano. Home at 1.30 A.M.

Thursday 17

Rather tired after night before so was glad when night came. Rained in afternoon. Down to other farm after sheep at night. Jimmie caught three trout and Alex and I went for a boat ride on the fish pond.

June Friday 18 1926

Took Jimmie to U.F.Y.P.O. meeting at Maus school with me and we had a queer time singing on way home. Had our first sing-song. Mr. Butcher gave interesting lecture on "How Plants Get Their Food". Had lunch with Jean.

Saturday 19

Drove "Dollie" to town at night and took Charlie and Jimmie with me. Jean and I saw Harold Lloyd in "The Heaven's Lake" at the Capitol Theatre. At one was a real picture.

Sunday 20

Did milk route up in four hours and three quarts. Jim helped me wash up so I was through at 1.15. We both slept for over two hours in afternoon. Uncle Art and Aunt Edith were at Barkers at night when I had my fourth meal. A wonderful time and wiped dishes for Jean afterwards.
