

1865

1st Sunday ~~Monday~~ ^{Thursday} April 12th
 Went to Fish & the wind came from the West I came up as far as the Sturgeon Island had to wheel round and go for Kops Island the swells running in and over my canoe stopt all day on Kops Island the Wind and water on the River was like Drifting of snow and smoke stopt on the Island all night very cold
 13th calling for Charlie My canoe all split with theashing of the waves Charlie came for me stopt at Charles till ^{14th day of a Friday} when the Wind lowered and soon and Pat came home with me used more well sent Charlie an axe gave Charlie his shirt
 Rells roof of the Barn blown off Part of it there must be a great destruction with this wind
 15th Making Fence in the Lane found a bottle that Charlie Rose and Dan ^{seen Renshaw's Boat sailing up from the port} the Dougall had left in the field
 Went through the to see the damage the Wind had done and it tore down trees set fire to the Marsh Hay upon the Bay 16th Sunday Easter Sunday a great Frolic of Eggs today 17th Went for the Horses to head of the ~~Bay~~ got a Rat for setting of traps last night heard frost and ice last night very hard drew some stones to the bank put Manure in the canoe for plants drew the Big canoe up to the door set traps in the snow
 March 18th on June 18th Birth Day and a windy day it is very high Wind Pat and Charlie crossed I don't think that they got to Hamilton Island for the storm caught them first ploughing in the garden ploughed some before the door commenced to rain found the sheep dead Making fence on the Pitt Point 1st of May went to Bay tried to go into Lancaster think it the 4th of May
 am Dan a Lincoln shot I heard found the sheep Lamb dead

15th 1865

1st Sunday ~~Monday~~ ^{Thursday} April 12th
 Pat & Charlie here from Summerstown had a smatter took Breakfast & Dinner the Wind high split the theory for Captains Bais ploughed a little the horses will not go for me Lashy here to chop 20th hard frost and hail East Wind filled the Bags with Ashes gathering iron the Bachelor after Bussy to day Great going of Boats from Salmon River to Lancaster this while Back now cold to day 21st got a Rat wind high sent Charlie trying the Perch at the Lower end of his Island then and Pat Lays a Roaring Runt in the sheep again fixing the Big canoe some 22nd Went to the Little Island North Side went to my spot to fish & got a came home wind raised fixed a part of a horse felt Went to the Bush for Rebel Orons took home a fair full very high Wind 23rd St
 24th ^{my spot} Lashy came to chop him and I to Renshaw's & Harpers Bought a little Harpur & four of it forget how many pounds 25th Sea 110th Valentin & Harold Norway Departed heard that Abraham was poorly Ploughed a little before the door 25th Living & Lashy and Mary went to Salmon River Abraham Departed this day Gordon and I to fish 26th 23rd Gordon got a little of sea with the hooking of the canoe a very fine day Dalabery came up to night 26th The Empress came up Vivant down stopt all night at Lancaster & Lashy into Salmon River 1st of May went down Anna Mary & Lashy came home Gordon Pat & Charlie and I to Mr. H. W. for the first time Gordon went to the store on 27th Planted Potatoes before the door finished ploughing the garden Padfoot went down 2 Hods of all sorts early and muggerties Blue messers or whatever you call them and my little blue noses
