at Claytons. Davis + Alan
let the brakes off the
car and had to run to
catch it going down
the street. in the after-
noon. mother and the

children went riding
on the merry go round
while I went to the zoo

July 20th not feeling very
good guess I haven't got
rid of my cold yet. we
decided not to drive to
Riverside now. as we would
have to go around about
