Ben can do nothing he has a hair on his hand as he has
some of the - Chapbeards of the house & then sent a letter
to the ship & mailed them on again that brought the letter out
and with the greatest he intends to be Chapbeard on
Ben went to Battery town on the morning of the 10th evening
and put the crew in the middle of the ship.

I went to farm again a length & Barrel
 of plaster of Paris for to put on the lane & 2 Spade
 for ditching & for digging I can do nothing
 At 5 o'clock 5 Barrels of the plaster to the north
 of the farm middle field I am doing yet
 I have a load of rails from where the stock
 is made for lane at the end of the lane I am doing
 and we put up the fence for the lane
