Sunday 14.

Grand day. Too nice to stay in. I went to church twice today. Jim Rodgers had a stroke last Wednesday. Dad and Maud went down to the cemetery this afternoon. Jim Weaver and Lizzie were down for a while tonight. Mother has been sick in bed all day.

Rained off and on all day. Thundering and lightning tonight. Mother was just about the same. I washed, but as it rained, they did not dry. Dad plowed.
