17 DAYS PAST

348 TO COME

Especially Valuable With Children.

A physician in the upper part of New York State writes: "After twelve years of experience with Pepto-Mangan (Gude) I believe it to be one of the best remedies for anemia and chlorosis and superior to all others, where indicated in diseases of children."

Weather

Cloudy

Temp.

Freezing

John & Eugene was crawling
annure all day. I went to
Aslmer after dinner & took
Mrs Rodgers for a sleigh ride.
then we called on Aunt
Arnold, found her bright &
quite well. The girls did all
the house work & played
I commenced on our calf
of pig that we bought.
John & Eugene went to Aslmer
Bill went 7 miles
