

August 1 Mowed in the field below the house in the forenoon
raked in the afternoon Swept my ^{room} & ^{bed} bed

2 Robt to draw in the afternoon drew in 2 loads from
the middle field put them over the cow stable 23
loads from the field below the house that was put ^{over} in the

3 Humph & Robt drew in loads from the middle field
I am not able to do any thing weak & sick of the

there is 4 loads put in over the cow stable

4 Robt drew in two loads of hay put one over the cow
stable the other the horses that is all that is cut I can do
the Rev. Mr Taplin preached in the forenoon & the Rev. Mr Wier
in the afternoon warm day

5 mowed in the forenoon went to the station to a trial of
Dr Parry & Dr Sigsworth for putting Percys Sulphur on
the track so that it was brock the cow was not proven

6 finished cutting the old meadow raked & drew in two
loads Ellen & the girls cocked some of the hay

7 drew in two loads & cut part of the new piece

8 finished cutting the new piece that part that we
plowed in the fall is the Best catch in timothy

9 drew in 3 loads got John Costlow to put h. them
I am so weak that I can do very little

10 went to Gananogue with 8 1/2 bushel of wheat
mill Besse went with me to see Dan Amburgeys

shaw very heavy rain to day Costlow
some of the oats they are ready to cut

11 The Rev. Mr Wier preached in the forenoon & Mr Wier

12 I am not able to do any thing I am so weak
a fine day Ellen & the girls raked up the oats that
Costlow cut on Saturday Costlow came
after he had done his days work with Shespe

drew in two loads that was all of them
nothing done I am no better rained in this

13 Costlow cut the oats heavy rain or shaw
through the day very warm

14 shawers to day I am doing little I
did myself

the girls Ellen
the boys 13
and a girl
