~~Tues~~ SAT. APRIL 9, 1898

Wea.

We rose early this morning as William is going up to Grand Valley this morning. I drove him to the station. After I came back I went down to W. Mundells to help Mrs Mundell do some sewing. I came home in the evening.

Ther.

~~Wed~~ SUNDAY 10

Wea.

I rose early again this morning, and after we had breakfast and the boys off to school. I went down to Mundells again. It is snowing again, quite rough today. quite a little winter. Mrs Mundell drove me home tonight.
